

ORTHODONTIC PARTNERS™

Welcome Paciorek Orthodontics & Celebrating Smiles Orthodontics

It is our pleasure to announce the addition of Paciorek Orthodontics and Celebrating Smiles Orthodontics to the Orthodontic Partners team! With locations in Camillus, Ithaca, and Cortland, NY, these practices are part of Orthodontic Partners' growing presence in New York State.

Dr. Mark Paciorek received his undergraduate degree from the Albany College of Pharmacy, and studied at the University of Buffalo Dental School for his dental degree and master's-level specialty training. Dr. Paciorek is committed to both teaching and learning; in addition to being a frequent lecturer at dental society meetings, he regularly attends continuing education programs throughout the year.

Dr. Lubomyr Ravlyk earned his undergraduate degree at St. John Fisher College. He went on to study at the University at Buffalo, where he received both his DDS degree and Masters in Orthodontics.

Says Dr. Paciorek: "The deciding factor in my choice to join Orthodontic Partners is that they were founded and are majority-owned by orthodontists. I am looking forward to sharing and learning best practices with other like-minded doctors."

As we continue to expand our network across the nation, we are confident that Paciorek Orthodontics and Celebrating Smiles Orthodontics will be an excellent addition to the team. Be sure to give them a warm welcome!
